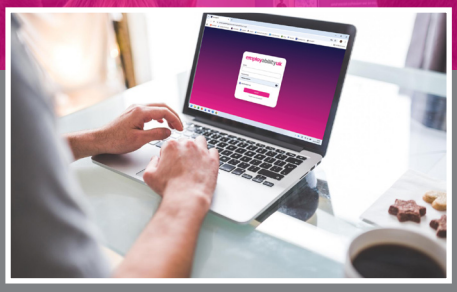
YOUR SKILLS DESERVE TO BE SEEN

Build your story. Show what you can do.



Introducing the EmployabilityUK Skills Passport

Your personal digital CV – bringing together what you've done, what you've achieved and what you can do.

Capture your experience and showcase your strengths with documents, photographs and video. Use your EmployabilityUK Skills Passport to prepare for applications, interviews and your next opportunity – and keep building it as your experience grows.

LAUNCHING 2 NOVEMBER 2026

No annual subscription... £5 for unlimited access.

For young people

Make your potential visible. Create a digital CV that brings your experience, achievements and skills to life – and helps you show employers what you can do.

For schools, colleges and organisations

Help learners recognise their progress.

Give your learners a practical way to capture their achievements, build confidence and present their skills for their next steps.

For employers

Help the next generation take its next step.

We're developing a straightforward, supported way for businesses to contribute opportunities and help young people build their experience. Be among the first to get involved.
